De Fabeltjeskrant

## Mr. Owl

The neutral, all-observant narrator and host of the “Fabeltjeskrant” show, who engages directly with the viewers. He often comments viciously on the mishaps and adventures of his fellow forest friends. He’s the viewers’ charming telly into the often chaotic and funny universe of the animals.

## De Fabeltjeskrant

### Never a dull moment

The original Dutch puppet series, 'De Fabeltjeskrant' was broadcast from 1968 to 1973 and again from 1985 to 1992. More than 1650 episodes were produced, and broadcast in over 40 territories, with a multicultural cast that ultimately expanded to a truly global collection of animal inhabitants.

### For the whole family

In every episode, Mr. Owl, perched high up in his tree, reads from the 'Daily Fable', wonderful yarns about the events taking place in the Forest, and especially the hilarious adventures of its motley crew of furry and feathery animal inhabitants.

The narrative combines the engaging logic and clarity of the classic fables that it harks back to, with a mischievous sense of humor. The Daily Fable is true family entertainment that transcends demographics and combines heart-warming nostalgia with contemporary wit and verbal comedy.
